

An hourglass is the central visual element, with its narrow neck pointing downwards. The sand inside is dark, but a bright, golden stream of light and small stars flows through the neck, creating a magical effect. The background is a deep blue with a subtle gradient.

Middle School *Celebration*

Celebrate the Now

30 November 2020

~Mackay Christian College Prayer~

Dear Father God

You are Lord over all.

We thank you for Your daily love and care.

Please bless and guide our College Principal, teachers,
parents and students.

Help us to grow in love and wisdom, and to become all that
You want us to be.

We seek to know You better as we pray and learn about you.

Forgive us when we disobey Your commandment to love
others, and help us to care for each other.

Our values are CLEAR.

Teach us to value Learning, as we explore and discover the
wonders of Your created world.

We ask that we may reflect Jesus in all that we say and do,
especially in

Christlikeness

Attitude

Respect for ourselves and others, and striving for
Excellence in everything we do.

May 'Thy will be done' in our lives and may we be a blessing to
our families.

We pray all these things in the name of our Lord Jesus Christ.

Amen.

Conducted by Mrs Gwenda Aay

~Advance Australia Fair~

Australians all let us rejoice
For we are young and free
We've golden soil and wealth for toil
Our home is girt by sea;
Our land abounds in nature's gifts
Of beauty rich and rare;
In history's page, let every stage
Advance Australia Fair
In joyful strains then let us sing
Advance Australia Fair.

With Christ our head and cornerstone
We'll build our nation's might
Whose way and truth and light alone
Can guide our path aright;
Our lives a sacrifice of love
Reflect our Master's care
With faces turned to heaven above
Advance Australia Fair
In joyful strains then let us sing
Advance Australia Fair.
