SIBLING DISCOUNTS

A sibling discount on tuition fees applies to families that have more than one student attending the college. (Subject levies and compulsory levies do not attract a discount.) Sibling discount is structured as follows:

2nd child - 15% discount 3rd child - 40% discount 4th or more - no charge for tuition fees

SUBJECT LEVIES

Subject levies cover items such as materials that go home with the student, or training costs, or contribute to the costs associated with teaching the subject.

TRADE TRAINING CENTRE (Year 11 & 12)

***Trade Pathway** - The MCCTTC Trade Pathway program is specifically tailored to meet the current needs of industry and to equip and prepare students for their preferred career choice. Students will be required to complete Building and Construction Skills (QCAA Applied Subject), and a Cert II in Engineering Pathways (delivered in partnership with an external RTO- Formula Student) along with Industrial Graphics. Trade Pathway incurs a separate levy in place of the subject levy of \$750/year (This Levy incurs a 5% discount if paid in full by 31 March - \$37.50)

Single Pathway - MCCTTC also offers a single pathway option to those students who are not necessarily seeking a job in the trade industry. Students can select either Building and Construction Skills (QCAA Applied Subject) **or** Cert II in Engineering Pathways (delivered in partnership with an external RTO- Formula Student). This levy is included in the year level subject levy.

INFORMATION COMMUNICATIONS TECHNOLOGY LEVY

eLearning Devices and other technology equipment are an important part of learning and the education process. The college has a strong commitment to the integration of ICT into the students' classrooms. We require parents to contribute to the high costs associated with providing this equipment, infrastructure, software, web access etc.

iPAD & iPAD LEVY

Students in Year 5-6 will be provided with an iPad to enhance their learning experiences. There is an iPad Levy charged for this program. Year 7 students will use an iPad purchased through MCC that has been pre-configured with all required Apps.

COMPULSORY BUILDING FUND LEVY

An annual levy of \$390 is charged per family to contribute to the capital costs of college infrastructure. This compulsory Building Levy is not tax deductible. In addition to this compulsory levy, families are welcome to donate funds to MCC Building Fund. Donations \$2 and over to the College Building Fund are tax deductible.

PRINTING LEVY

Students are able to print in our Kings Park Campus Library. This is a pay as you go system. The Printing Levy allows students to be able to print from the beginning of Term 1.

PAYMENT OPTIONS

School fees are billed annually and are payable at the beginning of the year by the due date. Families have the option of paying annual fees **up front** or on a **payment plan** spread over a number of instalments throughout the year. For students entering the college part-way through the year, School Fees will be charged on a pro-rata basis for the year. (See enrolment contract for full details.)

FEE SCHOLARSHIP

It has always been the policy of the college to assist parents where possible and that no child should be excluded from a Christian education because of financial hardship. In these cases, parents/carers are invited to complete an application form to apply for a School Tuition Fee Scholarship. These cases will be reviewed by the Principal for approval on a yearly basis.

CONCESSION CARD DISCOUNT

Parents/carers with a current concession card are eligible for a concession on tuition fees only – this does not apply to college levies. This concession is intended to assist families who genuinely lack the financial capacity to pay tuition fees in full. Such arrangements will be reviewed at the beginning of every year. Eligible card holders are required to provide the college with a copy of their concession card at enrolment, after which a concession agreement will be arranged.

WHAT DO SCHOOL FEES INCLUDE?

School Fees cover the cost of tuition, photocopied resources, hard copy textbook hire, digital textbook licence fees, exercise books, some student workbooks, sports, some visiting performances, most curriculum related excursions and a College Yearbook.

Please note, when students choose a leisure-based activity for sport, additional costs may be incurred. For students in Year 7-12 enrolling part-way through the year where families have received a textbook allowance from their previous school, and the pro-rata amount has not been forwarded to MCC, this amount will be added to the fee invoice.

OTHER CHARGES:

Outdoor Education Program - Selected year levels in the college are offered the opportunity to participate in camps. Camps incur additional costs which depend on the destination and duration.
