We Love | We Care | We Learn

Extend Program Enrolment Information

The Extend Program aims to work together with parents to develop and extend each child's God-given academic abilities and we seek to encourage students to find ways to use such abilities to bring glory to God.

The beginning of wisdom is this: "get wisdom". Though it cost you all you have, get understanding. Proverbs 4:7

The Extend Program offers tutoring by qualified teachers. Tutoring will be primarily available during school hours, although there are very limited spaces available before school, and during lunch hours. CONDITIONS AND EXPECTATIONS

- Students are responsible for checking weekly timetables for tutorial times and are expected to be punctual and prepared for tutorials.
- Missed tutorials due to student illness or absence will not be rescheduled or credited unless in special circumstances (i.e. extended absence due to serious illness etc. The tutor must be notified in advance for consideration).
- Where possible, the tutor will reschedule lessons to avoid clashes with public holidays and college activities such as the Athletics Carnival, etc.
- If a student cannot attend their scheduled lesson, parents are asked to notify either campus Reception by 8:30 am on the day out of courtesy to their tutor.
- Cancellation of enrolments must be made in writing via email to saucamp@mccmky.qld.edu.au, prior to the end of a school term. Refunds will not be given to those who discontinue mid-term.
- If a teacher is absent, lessons will be either rescheduled or credited off the next term's account.

If you are interested in enrolling your child in the Extend Program, please complete the Extend Program Enrolment Form and deliver in person to either campus Reception **as soon as possible** or email to saucamp@mccmky.qld.edu.au.
