Introduction

Dear Parents and Carers

Mackay Christian College is first and foremost a Christian school with Christian beliefs and Christian values. Thank you for joining us on the journey of growing your children into the amazing people that God has planned for them to be. At MCC we see you, the parents and carers as our partners in a difficult but incredibly rewarding journey of student growth. We believe the responsibility for children lies with parents and our College exists to partner with parents to help their children 'become all God wants them to be'.

While we seek to be good communicators, we strive to continuously improve in this area. Don't forget that every teacher at MCC has an email address which is their first initial and their surname with the school's email suffix added. The generic College email address is mcc@mccmky.qld.edu.au and your email will be forwarded to the most appropriate staff member to answer your enquiry.

As always, we want to continue to work to improve our communication with parents. We have a commitment to respond to parent enquiries within at least three working days. Our goal is always to be quicker than three days – but we also know that school can be a very busy place!

The vast majority of our information and updates are available on our main Facebook page or a collection of specialised Facebook pages dedicated to the variety of areas that the College is involved in. We also recommend downloading the MCC App for your smartphone to receive important notifications quickly as well as access to a number of important resources.

Mackay Christian College believes in keeping our fees as reasonable as possible so that Christian education is as widely available as we can make it. You will find our fee schedule inside this booklet. Please organise the appropriate Direct Debit arrangements and update the amounts as per the enclosed information. Last year the College drew on the services of a Debt Collection Agency for the few families who just didn't meet their commitments and would not communicate with us about it. If you find yourself in difficulty during the year, please make an arrangement to speak with a member of the Business Office. Early and open communication will help us help you.

The College offers support for families that are unable to meet the tuition fees each year. The aim is to assist families in their time of need to access quality Christian education. Families who hold a current concession card may be eligible for a concession on tuition fees. Current families receiving tuition support will need to reapply for 2024 and on a yearly basis thereafter so we can respond to changes of circumstance. Please contact our Business Office if this applies to your family.

At Mackay Christian College we are committed to ensuring the safety of our students. We would like to remind you if you need to meet with staff at Primary (Providence Campus) or Secondary (King's Park Campus) during the school year between 8.45am and 2.45pm, you are required to sign in at Reception. Thank you for assisting us to make our College a safe environment for our students.

You will find listed in this booklet all the information your family needs to be prepared for the start of the 2024 school year. If you have any questions, please contact our Reception on 4963 1100 or email mcc@mccmky.qld.edu.au.

If for some reason you find that your plans for 2024 have changed and you are leaving Mackay, please let our Enrolments Officer know as soon as possible. The College requires notification in writing by completing a Withdrawal Form for your child, which are available from enrolments@mccmky.qld.edu.au or Reception at either campus.

Just a reminder that the College will be closed from Monday 18 December 2023 up to and including Friday 5 January 2024. Reception on both campuses will reopen at 9am on Monday 8 January 2024.

Yours faithfully

Mr Bevan Little
College Principal

At Secondary (King's Park Campus), our Student Leadership will escort new students from the Meeting Place.

Class lists will be displayed to remind parents which classroom their child is in. Parents will help students to unpack their bags and line up outside their classroom. Students will then enter for some table activities. Parents are welcome to join their child before leaving by 9:00am. Prep children may be collected at 2.30pm on their first day.

Year 1 - 6 students will go to their new classroom at the beginning of the first day and start directly in their new class with their new teacher at 8.30am on Monday 22 January 2024 for an exciting day of learning.

New Students are to meet at Primary Reception where they will be welcomed by a staff member and directed to their new classroom.

2nd child - 15% discount 3rd child - 40% discount 4th or more - no charge on tuition fees

SUBJECT LEVIES

Subject levies cover items such as materials that go home with the student, or training costs, or contribute to the costs associated with teaching the subject.

TRADE TRAINING CENTRE (Year 11 & 12)

****Trade Pathway** - Students will be required to complete Building and Construction Skills, Cert II in Engineering Pathways, and Industrial Graphics. Trade Pathway incurs a separate levy in place of the subject levy of \$815/year. (This Levy incurs a 5% discount if paid in full by 31 March - \$40.75)

Single Pathway - TTC also offers a single pathway option for those students who are not necessarily seeking a job in the trade industry. Students will complete a Cert II in Engineering Pathways. This levy is included in the year level subject levy.

INFORMATION COMMUNICATION TECHNOLOGY LEVY

eLearning Devices and other technology equipment are an important part of learning and the education process. The College has a strong commitment to the integration of ICT into the students' classrooms. We require parents to contribute to the high costs associated with providing this equipment, infrastructure, software, web access etc.

iPAD* & iPAD LEVY

Year 5 & 6 students will be provided with an iPad to enhance their learning experiences. There is an iPad Levy of \$190 charged for this program.

Year 7-9 students will use an iPad purchased through MCC for \$580 that is pre-configured with all required Apps.

COMPULSORY BUILDING FUND LEVY

An annual levy of \$420 is charged per family to contribute to the capital costs of College infrastructure. This compulsory Building Levy is not tax deductible. In addition to this compulsory levy, families are welcome to donate funds to MCC Building Fund. Donations \$2 and over to the College Building Fund are tax deductible.

PRINTING LEVY

Students are able to print in our King's Park Campus Library. This is a pay as you go system. The Printing Levy allows students to be able to print from the beginning of Term 1.

PAYMENT OPTIONS

School fees are billed annually and are payable at the beginning of the year by the due date. Families have the option of paying annual fees up front or on a payment plan spread over a number of instalments throughout the year. For students entering the College part way through a term, School Fees will be charged on a pro-rata basis for the year.

OPTION 1: Up Front Payment

For full-fee paying families a **5% discount** on Tuition Fees (only) applies when Annual Fees are fully paid by 31 March. This discount does not apply to students starting part way through the year. Please contact the Accounts Dept at accounts@mccmky.qld.edu.au or 4963 1100 for your total fees for the year less the 5% discount.

OPTION 2: Payment Plan

Direct Debit from your bank account/credit card via Parent Lounge. This is a paperless direct debit system within TASS Parent Lounge. To establish your Payment Schedule please visit Parent Lounge and select "Accounts & Payments".

If we have not been advised of a change in your circumstances, a formal arrangement will be used to recover all outstanding fees.

YEAR 7 BOND

Families of current Year 6 students are required to pay a \$300 bond to secure a position for their child for Year 7. This payment is due in Term 3. This amount will be automatically deducted from your Year 7 fees. This bond is non-refundable if you choose to enrol your child at another school.

FEE SCHOLARSHIP

It has always been the policy of the College to assist parents where possible and that no child should be excluded from a Christian education because of financial hardship. In these cases, parents/carers are invited to complete an application form to apply for a College Tuition Fee Scholarship. These cases will be reviewed by the Principal for approval on a yearly basis.

CONCESSION CARD DISCOUNT

Parents/carers who hold a current concession card are eligible for a concession on tuition fees only - this does not apply to College levies. This concession is intended to assist families who genuinely lack the financial capacity to pay tuition fees in full. Such arrangements will be reviewed at the beginning of every year. Eligible card holders are required to provide the College with a copy of their concession card at enrolment, after which a concession agreement will be arranged.

WHAT DO SCHOOL FEES INCLUDE?

School Fees cover the cost of tuition, photocopied resources, hard copy textbook hire, digital textbook licence fees, exercise books, some student workbooks, sports, some visiting performances, most curriculum-related excursions and a College Yearbook. **Please note**, when students choose a leisure-based activity for sport, additional costs may be incurred. For students in Year 7 - 12 enrolling part-way through the year where families have received a textbook allowance from their previous school & the pro-rata amount has not been forwarded to MCC, this amount will be added to the fee invoice.

OTHER CHARGES:

Outdoor Education Program - Selected year levels in the College are offered the opportunity to participate in camps. Camps incur additional costs which depend on the destination and duration.

Uniform Guidelines

Wearing the Mackay Christian College uniform is compulsory. If a student is temporarily unable to wear the correct uniform, the student's parent/carer needs to send an email or note to the College explaining why. The Head of Primary or Head of Secondary has the final say regarding uniform policy and compliance. Students may be sent home for non-compliance.

These guidelines are meant to ensure that students do not focus on drawing unnecessary attention to themselves by their appearance. The focus within the College environment is on behaviour, work habits and attitude. The Uniform Guidelines must be strictly adhered to so that students can apply themselves to being creative, outstanding or unique in other areas of personal expression and development.

Students should wear the full formal uniform every day. The only 3 exceptions are on the days they have HPE, Agriculture or TTC when students can wear the Sports, Agricultural or TTC uniform. Students may not wear a combination of uniforms at any time. Common uniform issues are incorrect socks or shoes, or mixing sport and formal uniform items.

Students may wear current MCC Event or Team Shirts on Chapel days such as Zach Mach, TI Mission Trip, MCC Cattle Show Team, Palmer Shield, Year 6 or MCC Musical Production etc. Please note: These shirts are to be worn on Chapel days only and students will be sent home to change if they are worn at other times.

Students are expected to model dress standards appropriate to the College Values and Policies. All uniform items must be clean, fit appropriately and be in good repair. Formal school shoes must be made of black hard leather. All items are to be clearly labelled with the student's name on them, particularly hats and jackets. Unlabelled lost property will be donated to charity at the end of each term.

Uniforms should be worn completely and properly at all times including before and after school. Students should either be in uniform or in non-uniform clothes outside school hours and not a combination of the two. Infractions out of school hours will be dealt with at school.

Personal Appearance

HAIR POLICY

MCC values character, performance, and attitude and not hair styles. Hairstyles are to respect the values of the College and are not to be a tool to draw attention or make a statement.

Boys' Hair must be neatly groomed at all times. Hair should be cut as to not fall across the eyes. The emphasis is placed on neat and tidy presentation. Some minor variations in length will be tolerated if hair is neatly groomed at all times.

STUDENTS MAY BE SENT HOME and asked to alter excessive hairstyles before being allowed back to the College. However, we need to further clarify that:

1. Cuts which include differences in the length on sections of the hair must be moderate differences. Generally, **HAIR SHOULD BE EVENLY LAYERED**. Some minor variations will be tolerated, but stark contrasts of hair length will not.
2. Where 'blades' are used to trim hair **NO CUT BELOW A NUMBER 3 BLADE on top and a NUMBER 2 BLADE on the side** is acceptable and the scalp should not be easily visible through the short section.
3. 'Tracks' or designs that have been shaved into the hair are not allowed.
4. Hair should be of **NATURAL COLOUR**.
5. Boys' hair which is longer than the collar must be tied back.
6. Some specialty subjects may have additional safety requirements in relation to hair.

Girls' Hair must be cut in a moderate style and be neatly groomed at all times. Hair should be groomed as to not fall across the eyes. The emphasis is placed on neat and tidy presentation.

STUDENTS MAY BE SENT HOME and asked to alter excessive hairstyles before being allowed back to the College. However, we need to further clarify that:

1. Shoulder length and longer hair should be tied using ribbon or hair ties.
2. Hair ties and accessories must match the school colours. They must fit comfortably under the student's hat.
3. Hair should be of **NATURAL COLOUR**.
4. Girls' hair which is longer than the collar must be tied back.
5. Some specialty subjects may have additional safety requirements in relation to hair.

General Instructions

It is always difficult for parents to judge what is extreme and what is not. An extremely short haircut can be as extreme as a long one. However, as a general rule **IT IS NOT A GOOD IDEA TO LET YOUR CHILDREN GIVE THE HAIRDRESSER INSTRUCTIONS THEMSELVES**. Taking a copy of these guidelines to the hairdresser may be a good idea.

The College will ask parents to adjust students' hair styles where they do not comply with the above guidelines. An email will be sent home to parents to advise of non-compliance. Parents will be given 5 days to work with their child to rectify unacceptable hair styles.

Finally, if you or your child notices another student at the College with a haircut which does not comply with the above guidelines, (particularly a hard-to-remedy style) please do not presume that the matter has been ignored by the teachers or the College leadership. Penalties imposed may not be obvious to observers. Non-compliance by any particular student does not mean that the College has changed its standards.

A '**NATURAL COLOUR**' refers to a colour/rinse that is generally accepted as being a naturally occurring colour. It does not need to be the student's original hair colour.

IN ALL CASES THE DISCRETION OF THE COLLEGE IS FINAL.

JEWELLERY POLICY

The main reasons for restricting jewellery are:

1. Safety when playing sport, or when working in the laboratory or workshops.
2. Security, since valuable items cannot be lost or stolen if they are not brought to the College.
3. Encouraging an overall neat and tidy appearance when students are in uniform.

Students wearing jewellery, other than that stated, may have items confiscated by staff for collection from Primary Reception or King's Park Executive Office at the end of the day. Visible piercings other than those mentioned below must be removed or replaced with small clear studs that will not draw attention to the piercing.

Girls Jewellery

Girls may not wear any items of jewellery to the College except:

1. One flat plain silver or gold ring with no protruding stones or sculpted sections. (max. band width of 5mm).
2. No more than two matching studs or earrings of plain simple design in each ear, provided that the studs or earrings are worn in the lower lobe of the ear (lower quarter of the ear closest to the jaw line). For safety reason, earrings are to be of a modest nature and size. Variations may be allowed at the discretion of the Head of Primary or Head of Secondary.
3. One wrist watch and one House Family wristband.

Boys Jewellery

Boys may not wear any items of jewellery to the College except:

1. One wrist watch.
2. One House Family wristband.

MAKE UP POLICY

Students may wear only **clear** lip gloss. **No Visible Make-up** of any kind, including false eye lashes, is permitted unless a student is given specific permission by the Head of Pastoral Care. Students wearing make-up to school (except under medical advice) will be asked to remove it immediately.

Nail polish or fake nails are not permitted.

IN ALL CASES THE DISCRETION OF THE COLLEGE IS FINAL.

Sports Carnival Dress Standards

For any of the MCC Sports Carnivals, students are invited to dress in their House Family colours and must wear a brimmed hat. Students are to wear:

- Sunsafe, loose-fitting, sleeved polo shirt, t-shirt, or modest shirt preferably with a collar, that does not advertise anything that contradicts the College values eg. secular brands, violence, sexuality, alcohol or drugs.
- No high cut shorts.
- Track shoes must be worn.
- Usual College jewellery expectations apply.
- Brimmed hat eg. the College bucket hat.

Dressing up in House Family colours for Sports Carnivals is encouraged but not compulsory and students may choose to wear their sports uniform if they prefer. House Family teachers will check that all students have a brimmed hat and are dressed appropriately before escorting students to the oval or swimming pool. Students not dressed appropriately or without hats will be sent to the Head of Primary or Head of Secondary.

Students may use coloured hairspray and apply face paint in House Family colours for the Athletics Carnival and Cross Country events.

House Family wristbands and House Family tattoos are available for purchase from the Reception.

For the Swimming Carnival, all swimwear must be of a modest nature i.e. one-piece swim suit for girls and board shorts for boys. Students not dressed modestly will be required to wear a rashie/t-shirt and/or shorts over their swimmers.

For the Cross Country and Athletics Carnivals, competitors may wear a modest running singlet and sun visor/cap whilst competing. Skins or sports tights can only be worn under modest shorts with no visible midriff.

Free Dress Day Standards

Occasionally the College will organise a Free Dress Day to raise funds for Missions. Students choosing to wear free dress will be asked to pay a small amount which will then be donated to a selected missions project. Free Dress Days are not compulsory and students may choose to wear their usual College uniform if they prefer. Students must wear a brimmed hat for any outdoor activities eg. the College bucket hat.

The following guidelines list acceptable free dress standards. Students who violate these dress standards will be sent home to change. The emphasis is on dressing modestly.

- Denim jeans, shorts and skirts are allowed, but need to be worn neatly and modestly
- No high cut shorts
- No visible cleavage
- No midriffs or visible underwear
- Leggings or sports tights can only be worn under modest shorts
- Sleeveless tops and dresses need a shoulder strap wider than 2cm, and fabric is not to be see-through unless a camisole or singlet is worn underneath.
- Covered footwear including track shoes or court shoes
- Brimmed hat eg. the College bucket hat

Clothes that advertise anything that contradicts the College values eg. secular brands, violence, sexuality, alcohol or drugs are not acceptable.

A selection of jewellery (within reason) may be worn excluding any visible or facial piercings, other than earrings. Boys may not wear earrings or studs. Students may be asked to remove rings, bracelets or necklaces for safety reasons in some classes.

eLearning @ MCC

Network access for all students at Mackay Christian College is a priority, providing a valuable educational resource. Parents are asked to purchase and label earphones (not earbuds) with iPad connectivity for their student.

Students in Prep to Year 4 will be given access to classroom based e-devices.

Students in Year 5 & 6 will be provided with an in-classroom iPad through the MCC iPad Program to enhance their learning experiences. Mackay Christian College has a strong commitment to the integration of ICT in classrooms. Parents/carers will be required to complete and sign an agreement with the College for their child to participate in this program.

Approved Electronic Learning Device

Students in Year 7 to Year 9 will be allocated a full-sized iPad purchased through the College that has been pre-configured with all required learning apps.

Students in Year 10 are required to provide a full-sized iPad, with a minimum of 32GB storage and Wi-Fi connectivity. iPads must not be more than three (3) years old. The iPad 'Pro' with Wi-Fi connectivity is acceptable, however it is more expensive to purchase. The iPad 'Mini' is not permitted as the screen size makes it unsuitable for learning. The use of cloud technologies provided by the College enables students to supplement an iPad with other devices at home if preferred. Parents can choose on the amount of storage required (64GB or 256GB). Permission to use laptops for Year 10 may be requested and must be approved by the Head of Secondary prior to connecting to the College's Wi-Fi.

Senior students in Years 11 and 12 have the option to bring their own laptop if preferred. Laptops must be Wi-Fi enabled and capable of running Microsoft 365 and Adobe Creative Cloud.

All students in Year 10-12 will need to install year level or subject-specific apps which will be communicated by the teacher as required. Access to Microsoft 365 is free for enrolled students, using their College email and password. iPads are available to purchase locally & online incl. the School Locker: theschoollocker.com.au/schools/mackay-christian-college

Electronic Devices

This policy refers to all student-owned eDevices, with the exception of the approved MCC electronic learning tool, eg iPad. Students are permitted to bring personal eDevices to school in accordance with the following conditions:

1. A personal eDevice which connects directly to the internet via SIM (eg mobile phone) may be brought to school but must be switched off and stored in the student's bag during school hours (8.00am-3.15 pm on Primary, Providence Campus and 8.25am-3.00pm on Secondary, King's Park Campus) unless under direct supervision of a teacher during class time, or for approved medical reasons.
2. **Personal eDevices which connect indirectly to the internet via Bluetooth, mobile hotspot or tethering are not permitted at school**, eg smartwatches and other wearable devices. These items will be confiscated if found in a student's possession.
3. Students are solely responsible for the care of their personal eDevices while at school. If a student's personal eDevice is lost, stolen, or damaged, the College accepts no responsibility for replacement or repair, or for the cost of replacement or repair.
4. If a student needs to contact their parent they must go to Reception and ask permission to make the call there. If Reception staff or the student have a concern with the nature of the call, then staff should re-direct the student to the Head of Primary or Head of Secondary and call ahead to notify. The Head of Primary or Head of Secondary will authorise the call if appropriate and provide privacy for the call. **No unauthorised calls** are to be made by students.
5. If a personal eDevice is used by a student during school hours, the item may be confiscated and kept in a secure location at Reception or Executive Office. The student will be able to retrieve the item at the end of the school day. Repeatedly using an eDevice when unauthorised may result in more serious consequences.
6. Personal eDevices must not be connected to the College network. Doing so will result in a breach of the Network Student User Agreement (view at mcc.qld.edu.au).
7. In all situations, a teacher's instructions will override all of the above conditions.

Network Student User Agreement

Students enrolled in Prep to Year 12 at MCC who hold a College network account may access the College's network using only approved electronic learning tools and supervised by staff from 8.30am to 3.00pm on school days. Student access to the College network will be granted once the College has received a signed Network Student User Agreement. This form can be downloaded from the College website mcc.qld.edu.au.

Absences, Late Arrival and Early Departure

There may be times when your child needs to be absent from the College for different reasons, whether it be for illness, appointments or family reasons. It is important that the College is made aware of these times so that the student's attendance records can reflect the type of absence; if the absence was an **explained** absence or part absence. Parents are required to notify the College of absences (as below). Any unexplained absences will be followed up by Reception staff.

Whenever your child arrives at school after 8.30am, it is important that they sign in at Reception and get a late slip, before proceeding to class. Primary students require a parent/carer to sign them in, if arriving after 8.30am. They can be marked on the roll as being present, which helps us keep accurate details in case of an emergency.

If your child arrives after 9.00am or departs early for an appointment, you are required to sign them in/out at Reception.

We have a number of alternate options available for your convenience:

1. Add an Absence Notification message via TASS on the **MCC Parent Lounge**
2. Phone MCC 24 hour **Absentee Hotline** on 4963 1199. Leave your name, child's name, class and brief explanation
3. Send an **email** to the College at away@mccmky.qld.edu.au
4. Parent/Carer **notes** - Reception has a supply of pre-printed notes (available on request) for you to complete and send with your child when they arrive late or need to depart early, explaining their absence.

School Reports

School Reports will be issued at least twice per year and available electronically on the MCC Parent Lounge.

Please note that students with outstanding library books, items or text books, will not be issued with their School Report until all items have been returned or the replacement cost has been paid. It is our policy that if the misplaced item is found at a later time, we cheerfully give a refund.

Tuckshop Menus

Mackay Christian College Tuckshop has a large range of meals and snacks for students which are available at a reasonable cost each school day. The new menus will be updated on the College app each school term. Providence Tuckshop also provides ordering through the My School Connect App.

Family Information Update

Have you recently...

- Moved house?
- Changed your email address?
- Bought a new mobile phone or changed mobile number?
- Changed jobs and work phone number?
- Changed your child's emergency contacts?
- Had a change of family circumstances?

If your details have changed recently, you will need to update your details on the **MCC Parent Lounge** or advise the College by email as soon as possible. This ensures that information about you and your child is current and correct.

Student Lockers

Lockers will be available for students in **Year 7 - 12** at a cost of \$20 for the year or secure bike and locker storage at \$25 for the year. Students who would like to arrange a locker are to make payment in full to Secondary Reception. This needs to be a separate payment - it is not to be included in a fees payment.

Students should meet the Events Coordinator the following day to collect their lock and combination. Once a locker has been allocated, students are **not** to swap locks or lockers. If this occurs, the student will forfeit the use of a College locker and will automatically lose the deposit. Students will lose the use of the locker if they are found to be sharing a locker. Lockers may only be used before and after school, or the beginning and end of recess and lunchtime. Lockers may not be used between sessions or during class time.

At the end of the year a \$10 refund will be given when the lock is returned, and the lock and locker are in good condition.
