STANDARD OF PLAYERS

Please **only** send players to trial who are clearly competent and who have played a reasonable amount of the sport. Those players who trial and are identified early, as being below the standard selectors are looking for, will be limited in their involvement during the trial in the interests of allowing selectors to thoroughly check out those players who are up to or close to the required standard. Sports Co's/ Schools/ Sub-Districts, where possible should consider the level of ability of the student trialling. This is for safety reasons and duty of care.
