### Approved Electronic Learning Device

**Year 10** students are required to provide a full-sized iPad, with a minimum of 32GB storage and Wi-Fi connectivity. iPads must not be more than three years old. The iPad 'Pro' with Wi-Fi connectivity is acceptable, however it is more expensive to purchase. The iPad 'Mini' is not permitted as the screen size makes it unsuitable for learning. The use of cloud technologies provided by the College enables students to supplement an iPad with other devices at home, if preferred. Parents/carers can choose on the amount of storage required (64GB or 256GB). Permission to use laptops for Year 10 who are planning an ATAR pathway in senior may be requested and must be approved by the Head of Secondary, prior to connecting to the College's Wi-Fi. The College advises as a minimum requirement, laptops are equipped with an Intel Core i5 10th generation CPU, 8GB of RAM and a drive with 256GB storage. BYOD laptops should have current antivirus software installed, with free versions being readily accessible. The College may install configuration applications to setup Wi-Fi and Office365 access.

**Years 10 to 12** students who have an iPad as their electronic learning device will need to install *Essential Apps for Everyone* on their iPad for the start of school. Students will also need to install year level or subject specific apps as instructed by the teacher.

**Years 11 and 12** students have the option to bring their own laptop, if preferred. Laptops must be Wi-Fi enabled and capable of running Microsoft 365 and Adobe Creative Cloud. Students in Year 11 and 12 who are ATAR eligible are required to complete substantial assignments in a number of their subjects and should choose the laptop option. The College advises that as a minimum requirement, laptops are equipped with an Intel Core i5 10th generation CPU, 8GB of RAM and a drive with 256GB storage. BYOD laptops should have current antivirus software installed, with free versions being readily accessible. The College may install configuration applications to setup Wi-Fi and Office365 access.

## **CALCULATORS**

**Year 10 students and Years 11 and 12 General Mathematics and Essential Mathematics students** require a scientific calculator. Scientific calculators may be purchased from the School Locker uniform shop. The model recommended is Casio FX-82AU PLUS II (first or second edition).

**Years 11 and 12 Mathematical Methods and Specialist Maths Students** require a TI Nspire CX II non CAS graphics calculator. These can be leased from MCC for \$44.00 per year. Payments can be made at the College Office. Students take their receipt to the Library to get their calculator. Note: students may also purchase their own TI Nspire CX CAS II model which has the "Press to Test" feature.
