ELECTRONIC LEARNING DEVICE

All students in Years 5 and 6 will be provided with a digital device to enhance their learning experiences through the MCC digital technology program. Hire Agreements will be sent out in the new school year for parents/carers and students to sign, or when your child enrolls if students commence after the start of the year. There is a Levy charged for this program.

OTHER INFORMATION

Some of these items may need to be replaced during the year to ensure an ongoing supply of equipment e.g. pens, pencils, etc.

A list of additional stationery items specific to a student's class will be given early in Term 1.

To encourage healthy eating habits, we encourage parents/carers to avoid the following convenience foods as much as possible in children's lunches: chips, cheezels, lollies, rollups, soft drinks, chocolate or chocolate products.
