Year 11 - 12	\$4,510	\$1,725	\$6,235

ENROLMENT APPLICATION FEE

A fee of **\$50** is payable upon submission of each enrolment application.

COMPULSORY BUILDING FUND LEVY

An annual levy is charged per family to contribute to the capital costs of College infrastructure. This compulsory Building Levy is not tax deductible. In addition to this compulsory levy, families are welcome to donate funds to MCC Building Fund. Donations \$2 and over to the College Building Fund are tax deductible.

Building Levy

\$440 per family

SIBLING DISCOUNTS

A sibling discount for tuition fees applies to families that have more than one student attending the College. (College levies do not attract a discount.) Sibling discount is structured as follows:

2nd Child

12.5% discount

3rd Child

35% discount

4th or more

Free Tuition

TRADE TRAINING CENTRE (Year 11 & 12)

Single Pathway - TTC offers a single pathway option for those students who are not necessarily seeking a job in the trade industry. Students will complete a Cert II in Engineering Pathways. This cost is included in the College levies.

Trade Pathway - Students will be required to complete Building & Construction Skills, Cert II in Engineering Pathways and Industrial Graphics. Trade Pathway incurs a separate levy of:

Trade Pathway Levy

\$620 per student

OTHER CHARGES

Extra-Curricular Activities - These activities are an integral element of College life and students are encouraged to be involved. Activities are held outside school hours and are arranged by the College. Depending on the activity, students may be required to pay an additional fee.

Creative Academy - Individual instrument tuition as arranged with instructor. Payment required at the start of each term. Billed separately from Creative Academy.

CONCESSION CARD DISCOUNT

A Concession Card Discount is offered to families who hold a current 'means tested' Government Health Care or Pensioner Concession card. Eligible card holders are required to provide the College with a copy of their concession card at enrolment, after which a 30% discount will be applied to the tuition fees of all eligible students from the family.

FEE DESCRIPTION

WHAT DO TUITION FEES INCLUDE?

Tuition Fees contribute to the delivery of a Christian education and support the day-to-day operation of the College. This includes tuition, workbooks and textbooks (digital and hardcopy), curriculum programs and resources, sports carnivals, library resources, selected performances and guest speakers, College celebration events, student wellbeing, pastoral care and faith-based programs.

Also included are online subjects and Vocational Education Certificates:

- Up to two vocational education certificates where articulated in the Senior Subject Selection Guide, and/or
- One online General or Applied subject, where articulated in the school's Senior Subject Selection Guide. A second online General or Applied subject will be charged separately.

COLLEGE LEVIES INCLUDE

The College Levy contributes to a range of student-specific resources, programs and educational experiences that enrich learning and support the development of each student. This includes:

- Whole of year level overnight camps
- Subject-specific excursions, workshops, incursions and educational activities
- Resources, materials and consumables required for specialist learning areas and practical subjects.
- The Student Technology Program, including:
 - Student electronic device
 - Protective carry bag
 - Educational software and digital learning licences
 - Extended Warranty coverage with Accidental Damage Protection
 - Device management, security, servicing and maintenance
 - Technical support provided by College technicians
- TTC Single Pathway program participation and associated resources.
- Access to specialised educational software, digital learning platforms and online learning tools used across the College.

PAYMENT OPTIONS

Families may pay their College fees either upfront annually, paid directly to the College, or by instalments via Edstart. Staff families may pay their fees via payroll deductions.

OPTION 1: Annual Upfront Payment

For full-fee paying families, a **5% discount** on Tuition Fees applies when Annual Fees are fully paid by 31 March. This discount does not apply to students starting part way through the year. Please contact the Business Centre at fees@mccmky.qld.edu.au or 4963 1100 for your total fees for the year less the 5% discount.

OPTION 2: Instalment Payments via Edstart

For all other families, Mackay Christian College has partnered with Edstart to streamline school fee payment plans and to provide more flexible options to families. Pay weekly, fortnightly, monthly or termly on your preferred day for payments. Spread school fee payments over the full school year and select from the range of free payment options. *Families will receive more details, including how to set up your Edstart account and how payments work, when we start the rollout process. If you would like further information in the meantime, please visit <https://edstart.com.au/families>.*
