Introduction

Under legislation, duty of care obligations and the Christian beliefs of MCC, the College is committed to providing a safe environment for all students. The procedures for reporting and managing Child Protection concerns are provided in Appendix A.

Definitions

- **Section 9 of the *Child Protection Act 1999* - “Harm”**, to a child, is any detrimental effect of a significant nature on the child’s physical, psychological or emotional wellbeing.
 1. It is immaterial how the harm is caused.
 2. Harm can be caused by:
 - a) physical, psychological or emotional abuse or neglect; or
 - b) sexual abuse or exploitation.
 3. Harm can be caused by:
 - a) a single act, omission or circumstance; or
 - b) a series or combination of acts, omissions or circumstances.
- **Section 10 of the *Child Protection Act 1999* - A “child in need of protection”** is a child who:
 - a) has suffered significant harm, is suffering significant harm, or is at unacceptable risk of suffering significant harm; and
 - b) does not have a parent able and willing to protect the child from the harm.
- **Section 364 of the *Education (General Provisions) Act 2006* - “Sexual abuse”**, in relation to a relevant person, includes sexual behaviour involving the relevant person and another person in the following circumstances:
 - a) the other person bribes, coerces, exploits, threatens or is violent toward the relevant person;
 - b) the relevant person has less power than the other person;
 - c) there is a significant disparity between the relevant person and the other person in intellectual capacity or maturity.

Health and Safety

The College has written processes in place to enable it to comply with the requirements of the *Work Health and Safety Act 2011* (Qld) and the *Working with Children Check Act 2000*.

Responding to Reports of Harm

When the College receives any information alleging 'harm'¹ to a student (other than harm arising from physical or sexual abuse) it will deal with the situation compassionately and fairly so as to minimise any likely harm to the extent it reasonably can. This may include reporting through the principal to Child Safety. If the harm is not at a level that is otherwise reportable to Child Safety, the matter should be referred to the principal, who may then refer the matter to Family and Child Connect.²

Conduct of Staff and Students

All staff, contractors and volunteers must ensure that their behaviour towards and relationships with students reflect proper standards of care for students. Staff, contractors and volunteers must not cause harm to students³.

Reporting Inappropriate Behaviour

If a student considers the behaviour of a staff member to be inappropriate, the student should report the behaviour to:

- Ms Ulla Hansson – Pastoral Care Coordinator
- Ms Deb Wright – Head of Secondary
- Mrs Michelle Brownsey – Head of Primary⁴

¹ *Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s.16(7)*: the definition of 'harm' for this regulation is the same as in section 9 of the *Child Protection Act 1999 (Qld)*

² *Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s.16(1)*

³ *Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s.16(1)*

⁴ *Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s.16(2) and s.16(3)*

Dealing with Report of Inappropriate Behaviour

A staff member who receives a report of inappropriate behaviour must report it to the College Principal. Where the College Principal is the subject of the report of inappropriate behaviour, the staff member must inform a member of the College Board⁵. Reports will be dealt with under the College's Complaints Handling Policy.

Reporting Sexual Abuse⁶

Section 366 of the *Education (General Provisions) Act 2006* states that if a staff member becomes aware, or reasonably suspects, in the course of their employment at the College, that any of the following has been sexually abused by another person:

- a) a student under 18 years attending the College;
- b) a kindergarten aged child registered in a kindergarten learning program at the College;
- c) a person with a disability who:
 - i. under section 420(2) of the *Education (General Provisions) Act 2006* is being provided with special education at the College; and
 - ii. is not enrolled in the preparatory year at the College;

then the staff member must give a written report about the abuse or suspected abuse to the College Principal or to the director of the College Board immediately.

The College Principal or the director must immediately give a copy of the report to a police officer.

If the first person who becomes aware or reasonably suspects sexual abuse is the College Principal, the College Principal must give a written report about the abuse, or suspected abuse to a police officer immediately and must also give a copy of the report to the director of the College Board immediately.

A report under this section must include the following particulars:

- a) the name of the person giving the report (the *first person*);
- b) the student's name and sex;
- c) details of the basis for the first person becoming aware, or reasonably suspecting, that the student has been sexually abused by another person;
- d) details of the abuse or suspected abuse;
- e) any of the following information of which the first person is aware:
 - i. the student's age;
 - ii. the identity of the person who has abused, or is suspected to have abused, the student;
 - iii. the identity of anyone else who may have information about the abuse or suspected abuse⁷.

Reporting Likely Sexual Abuse⁸

Section 366A of the *Education (General Provisions) Act 2006* states that if a staff member reasonably suspects in the course of their employment at the College, that any of the following is likely to be sexually abused by another person:

- a) a student under 18 years attending the College;
- b) a kindergarten aged child registered in a kindergarten learning program at the College;
- c) a person with a disability who:
 - i. under section 420(2) of the *Education (General Provisions) Act 2006* is being provided with special education at the College; and
 - ii. is not enrolled in the preparatory year at the College;

then the staff member must give a written report about the suspicion to the College Principal or to the director of the College Board immediately.

The College Principal or the director must immediately give a copy of the report to a police officer.

If the first person who reasonably suspects likely sexual abuse is the College Principal, the College Principal must give a written report about the suspicion to a police officer immediately and must also give a copy of

⁵ *Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s.16(2)*

the report to a director of the College Board immediately.

A report under this section must include the following particulars:

- a) the name of the person giving the report (the *first person*);
- b) the student's name and sex;
- c) details of the basis for the first person reasonably suspecting that the student is likely to be sexually abused by another person;
- d) any of the following information of which the first person is aware:
 - i. the student's age;
 - ii. the identity of the person who is suspected to be likely to sexually abuse the student;
 - iii. the identity of anyone else who may have information about suspected likelihood of abuse⁹.

Reporting Physical and Sexual Abuse¹⁰

Under Section 13E (3) of the *Child Protection Act 1999*, if a doctor, a registered nurse, a teacher or an early childhood education and care professional forms a 'reportable suspicion' about a child "in the course of their engagement in their profession", they must make a written report.

A reportable suspicion about a child is a reasonable suspicion that the child:

- a) has suffered, is suffering, or is at unacceptable risk of suffering, significant harm caused by physical or sexual abuse; and
- b) may not have a parent able and willing to protect the child from the harm.

The doctor, nurse, teacher or early childhood education and care professional must give a written report to the Chief Executive of the Department of Families, Seniors, Disability Services and Child Safety (or another department administering the *Child Protection Act 1999*). The doctor, nurse, teacher or early childhood education and care professional should give a copy of the report to the College Principal.

A report under this section must include the following particulars:

- a) the basis on which the person has formed the reportable suspicion¹¹;
- b) the child's name, age and sex descriptor;
- c) details of how to contact the child;
- d) details of the harm to which the reportable suspicion relates;
- e) particulars of the identity of the person suspected of causing the child to have suffered, suffer, or be at risk of suffering, the harm to which the reportable suspicion relates;
- f) particulars of the identity of any other person who may be able to give information about the harm to which the reportable suspicion relates¹².

A reasonable excuse not to make a report under the *Criminal Code Act 1899* includes that a report has already been made under the *Education (General Provisions) Act 2006* (reporting sexual abuse or likely sexual abuse) and the *Child Protection Act 1999* (reporting significant harm or risk of significant harm) as per this policy.

Failure to Protect¹⁴

Under section 229BB of the Code, all adults in positions of power or responsibility within institutions to reduce or remove the risk of child sexual offences being committed must take reasonable steps to protect children in their care from a child sexual offence. A failure to protect is an offence.

1. Statement of Commitment

Mackay Christian College (MCC) is committed to taking all reasonable steps to promote the safety and wellbeing of students enrolled at the College and their protection from foreseeable harm. ²⁰In practice, MCC is committed to acting in accordance with the Working with Children Check Act 2000 to promote the safety and wellbeing of students means that it will implement the measures outlined below in points.

2. Code of Conduct

At MCC we expect our employees to conduct themselves as follows:

College employees are expected to always behave in ways that promote the safety, welfare and wellbeing of our students. Employees must actively seek to prevent harm to students and to support those who have been harmed.

Specific responsibilities include:

- Employees should avoid situations where they are alone in an enclosed space with a student.
- When physical contact with a student is a necessary part of the teaching/learning experience, employees must exercise caution to ensure that the contact is appropriate and acceptable. Employees must always advise the student of what they intend doing and seek their consent.
- Employees must not develop a relationship with any student that is, or that can be interpreted as having a personal rather than a professional interest in a student.
- Employees must not have a romantic or sexual relationship with a student.

This commitment is evidence of MCC's fulfilment of the requirements of Schedule 1 s.2(2).

3. Recruitment, Selection, Training and Management Procedures

MCC is committed to recruiting, selecting, training and managing employees in such a way that limits risks to students. In particular, MCC will:

- Ensure that its recruitment and selection procedures act to reduce the risk of harm to children from employees via:
 - Accurate position descriptions, including whether the successful applicant must be a teacher registered with the Queensland College of Teachers (who has been subject to relevant police and other safety checks), whether a Blue Card is necessary for the successful applicant, the responsibilities and supervision associated with the position, the nature and environment of the service provided to students and the experience and qualifications required by the successful applicant.
 - Advertising the position with a clear statement about the College's commitment to safe and supportive work practices and identifying that candidates will be subject to a teacher registration check or Blue Card screening, a police check, referee checks, identification verification and the requirement to disclose any information relevant to the candidates' eligibility to engage in activities including children.
 - A selection process that includes assessing the application via an interview process and referee and other checks (as identified above) based on the accurate position description.
 - A probationary period of employment, which allows the College to further assess the suitability of the new employee and to act as a check on the selection process.
- Ensure that its training and management procedures act to reduce the risk of harm to students from employees via:
 - Management processes that are consistent, fair and supportive.
 - Performance management processes to help employees to improve their performance in a positive manner.
 - Supportive processes for staff when they are experiencing challenges, such as mentoring, mediation, conflict resolution, coaching, additional training and external support and counselling services.
 - An induction program which thoroughly addresses the College's policies and procedures, particularly its expectations regarding student risk management and to assist employees to understand their role in providing a safe and supportive environment for students.
 - Training new and existing staff on an ongoing basis to enhance skills and knowledge and to reduce

²⁰ Working with Children Check Act 2000

exposure to risks, as follows:

- the College's policies and procedures;
- identifying, assessing and minimising risks to students; and
- handling a disclosure or suspicion of harm to a child.
- Keeping a record of the training provided to employees.
- Exit survey from parents to assist the College to identify broader issues of concern that may impact on the safety and wellbeing of students at the College.

This commitment is evidence of MCC's fulfilment of the requirements of Schedule 1 s.2(3).

4. Handling Disclosures or Suspicions of Harm

Any of the types of concerns or reports below must be reported and managed under MCC's Child Protection Policy and Procedures, as follows:

- all staff with concerns about sexual abuse, or likely sexual abuse, or a child sexual offence committed by an adult;
- teachers, nurses and early childhood education and care professionals with concerns of sexual or physical abuse; and
- all staff who have received a report of inappropriate behaviour by another staff member.

To report any type of harm, all staff members should use the MCC Report of Suspected Harm or Sexual Abuse Form. For harm (other than physical or sexual abuse) the form should be provided to the principal who will report to Child Safety. If the harm is not at a level that is otherwise reportable to Child Safety, the matter should be referred to the principal, who may then refer the matter to Family and Child Connect.

Furthermore, and in accordance with section 76 of the *Education (Queensland College of Teachers) Act 2005*, the College Principal of MCC will report to the Queensland College of Teachers any investigations into allegations of harm caused, or likely to be caused, to a student because of the conduct of a relevant teacher at the College.

Any report made under this section or the MCC Child Protection Policy will fulfill the reporting obligations of all adults under the *Criminal Code Act 1899*.

This commitment is evidence of MCC's fulfilment of the requirements of Schedule 1 s.2(4).

5. Managing Breaches of this Child Risk Management Strategy

MCC is committed to appropriately managing breaches of this Child Risk Management Strategy in accordance with its other relevant policies as appropriate in the circumstances, such as its Child Protection Policy, Employee Code of Conduct, Complaints Handling Policy and Procedures and Enterprise Bargaining Agreement or equivalent, and this is evidence of fulfilment of the requirements of Schedule 1 s.2(5).

MCC will utilise various risk management tools to assist it in this process and will keep appropriate records of decisions made and actions taken in relation to risks to children.

This commitment is evidence of MCC's fulfilment of the requirements of Schedule 1 s.2(7).
