AHC21216 Certificate II in Rural Operations

Funded by the Queensland Government under VET in School (VETiS)

Program overview

UQ Skills' High School Program provides training to senior secondary students (Year 11 and 12) towards the achievement of a Certificate II in Rural Operations (AH21216).

This program allows students to receive training that is directly related to the agricultural sector and aims to provide them with the knowledge and skills required to either join the workforce or continue on to further education.

This qualification provides an entry level occupational outcome in the rural sector and will impart skills and knowledge to enable participants to:

- Understand industry WHS requirements
- Understand and perform livestock health and care
- Perform livestock handling
- Install and maintain fencing

Delivery

The program is delivered over 2 academic years with students participating in a blended delivery (online and face-to-face).

Resource requirements

It is recommended that you have access to a reliable Internet connection to access UQ Skills' online learning system Blackboard, and a computer with up-to-date software, including Microsoft Office, Adobe Acrobat Reader and Adobe Flash Player.

You will also be required to have access to and bring to class a long sleeved shirt, long pants, enclosed work boots, a sun safe hat, sunscreen and water bottle.
