

Certificate III in Health Services Assistance (HLT33115)

This certificate allows students to be educated and engaged in the Health Services Industry.

IVET have developed an interactive simulated work environment, which allows students to assume numerous roles and tasks in the health services assistance field.

Throughout the learning process students will have access to a purpose built simulated workplace practice via the 'IVET Super Clinic'. This innovative simulated structured work environment is an integral facet of the learning and assessment process immersing the students in current industry practice, regulations and policies that are implemented in the Health Service Industry.

Note: Completion of assessment will require a structured school excursion to a clinical facility, or individual work placement in a clinical environment.
