

Secondary Teacher - Design and Technologies (Industrial Technology Contexts) - Years 7 to 10

Commence on a wonderful adventure with Mackay Christian College (MCC). We are a dynamic, leading college with enrolments of 900+ students. MCC is a multi-denominational, coeducational Christian college (Early Learning to Year 12), committed to providing a safe environment in which our students can develop academically, spiritually and socially through quality curriculum, modern facilities and dedicated, caring staff.

You will have:

- Appropriate tertiary qualification in education
- Registration as a qualified Queensland educator (QCOT)
- Certificate in Engineering and/or Building & Construction and/or Industrial Technology & Design (preferred, not essential)
- An ability to develop a stimulating and engaging learning environment

You will need experience to be able to deliver one or more of the following:

- Certificate II Engineering Pathways
- Building Construction Skills

As well as one or more of the below:

- Wood/Metal Work
- Industrial Graphics
- Design Technology

A **Teaching Staff Application** must accompany your CV. Applications are unable to be progressed without the completion of this form. Send your complete application to:

mcc@mccmky.qld.edu.au

Please include Design & Technologies Teacher as your email subject line.

****Do not use the SEEK application process****

MCC operates from a Christian foundation, with clearly established values that inform our day-to-day operations. You will work for a Christian organisation that values its people and promotes leadership and innovation.
