

We are seeking a Secondary Industrial Technology Teacher to commence in our Trade Training Centre in 2026.

Commence your career journey with Mackay Christian College (MCC). We are a dynamic, leading college with enrolments of approximately 960 students. MCC is a multi-denominational, coeducational Christian college (Early Learning to Year 12), committed to providing a safe environment in which our students can develop academically, spiritually and socially through quality curriculum, modern facilities and dedicated, caring staff.

You will have:

- Appropriate tertiary qualification in education
- Registration as a qualified Queensland educator (QCOT)
- An ability to develop a stimulating and engaging learning environment

You will need qualifications and preferably experience to be able to deliver one or more of the following:

- Wood/Metal Work
- Industrial Graphics
- Design Technology
- Certificate II Engineering Pathways
- Building Construction Skills

An online Teaching Staff Application must accompany your CV. This form is available from our website: [Mackay Christian College | Employment Opportunities](https://www.mackaychristiancollege.edu.au/employment). Applications are unable to be progressed without the completion of this form. Send your complete application to: mcc@mccmky.qld.edu.au,

Please include Industrial Technology Teacher as your email subject line.

Do not use the SEEK application process.

MCC operates from a Christian foundation, with clearly established values that inform our day-to-day operations. You will work for a Christian organisation that values its people and promotes leadership and innovation.
