MACKAY CHRISTIAN COLLEGE

Christian Education on Purpose

Traffic & Car Park Plan - King's Park Campus

Please note: Drivers must obey the Queensland Traffic Laws. These are enforceable by Qld Police.

Help us to keep our college community safe by adhering to the Traffic and Car Park Plan for King's Park Campus, not parking in the excluded areas. Parents are encouraged to use the Stop, Drop & Go zones correctly for Year 7-12 students.

Quarry Street and TTC Stop, Drop & Go Zone:

Parents/carers may drop off or collect students from the Stop, Drop & Go zones under the Trade Training Centre or in Quarry Street on the eastern side of the road, either side of the pedestrian crossing. When using the drop off areas please remember to **STOP, DROP & GO - NO PARKING longer than 2 minutes**. Note: if these Zones are full, please do not continue to wait in line as this stops the flow of traffic and creates blockages. It is recommended to utilise the **5 minute parking bays** or keep driving through and loop back through the ZONES. Alternatively you may park your vehicle in the Short / Long Term Area. All vehicles need to be cleared from the TTC Short Term Car Park area by **9.00am** as the gates are closed and locked throughout the day. The TTC Car Park gates will reopen at **2.45pm** for pickup. There is **NO PARKING** under TTC during normal school times.

Long Term Parking Area across from Secondary Reception:

If you have a meeting with college staff, parents/carers are encouraged to use the Long Term Parking Area in Quarry Street across the road from Secondary Reception. Access can be made via the upper end of the car park closest to the Short Street corner. **Please obey all street roadside signs.**

Mornings and Afternoons:

Please use the Stop, Drop & Go zones or parking facilities in the Long Term Parking Area. While staff will be on duty until 3.15pm, we remind you that when the children are with them, parents/carers are responsible for the safe supervision of their children when crossing public roads. Remember: the area around the Cul-de-sac and near the pedestrian crossing, on the school side of Quarry Street is a **NO PARKING / NO STOPPING ZONE**. For the safety of students, parents/carers and staff please do not stop in this area as you may be fined by Police. Stopping on Glenpark Street is also dangerous and doing so may also incur a fine from Police.

Bus Zone:

Please keep the Bus Zone (in front of the Faith Centre hall) clear **AT ALL TIMES**. This zone is used by buses throughout the day.

5 min Drop Off/Pick Up Zone:

Parents/carers may use the 5 minute Drop Off/Pick Up parking bays within the college car park, across the road from Secondary Reception.

Students Arriving Late to School:

Parents/carers who are dropping off students late to school must not stop in front of the Secondary Reception area in the No Stopping Zone or Bus Lane. You may use the 5 minute drop off zone within the Long Term Parking Area for quick and easy access to secondary reception.
