

CAREER EDUCATION

“Educating the mind without
educating the heart
is no education at all.”
- Aristotle -

In the Career Education short course, students explore their own interests, gifting and talents with a focus on setting goals and investigating career opportunities and pathways.

Students will earn 1 QCE (Queensland Certificate of Education) credit upon achieving a C result or better upon completion of this course.

During CLEAR students develop their own SET (Senior Education and Training) plan.

This helps students to:

- structure their learning around their own abilities, interests and ambitions
- think about their education, training and career options after Year 12
- set and achieve learning goals in Years 11 and 12, and beyond
- include flexible and coordinated pathway options in their course of senior study
- communicate with their parents/carers, or teachers careers counsellor about their post-school plans.

CLEAR

CLEAR is our values-based subject. At Mackay Christian College, we are passionate about helping students grow to become all that God wants us to be.

The Year 10 CLEAR program is designed to help students in their academic, spiritual, emotional and physical development.
