HUMANITIES

Humanities enables students to develop the capacity to question, and think creatively whilst fostering their curiosity and imagination.

Students will study History and one of the three subjects: Geography, Business and Economics and the Aboriginal and Torres Strait Islander Languages short course. We will have 2 rotations throughout the year with each course being a semester in duration.

These courses allow students to experience some of the elements and expectations of the Humanities courses (Legal Studies, Modern History, Geography and Business) offered in Year 11 and 12 and further develop the appropriate knowledge and skills bases necessary to be successful in these areas.
